What if you could:

- connect with your soul easily and effortlessly,
- ask for guidance and receive useful information
- and rest in the calm of connection that is of a higher order.
- *Learn to be the Master* of daily living, daily struggles and petty concerns.
- Stand back in the spaciousness of a larger perspective, a freeing perspective that remembers and acknowledges your wholeness, your completeness, your highest self.

A Day Jam Packed with Memorable Spiritual Experiences

Join us for a one-day introductory experience. Enjoy a few simple yet powerful processes and teachings for a preview of what our spiritual blooming program might be like for you.

In this stand-alone class you will experience meditation to open up the spiritual centers of your mind, self-inquiry, group spiritual cleansing hypnosis and a powerful process that is simple and reliable for contacting your soul.

A Path to Expand on This

We are offering this class to *also* give you a taste of what you could experience and how you could grow with our larger 4 module spiritual blooming program.
